Subject: STARTING 9/18- changes to UPDATE
Date: Sunday, September 17, 2017 4:44:09 PM

Spoke with David Gray this afternoon, he agreed that starting with the Monday 9/18 Update, we can:

- 1) Delete the "REFINERIES/FUEL WAIVERS" section. Any new waivers will be included in the executive summary. David will provide any updates on this issue to include.
- 2) Delete the "DRINKING WATER/WASTEWATER ASSESSMENTS" section since EPA has completed the Drinking Water/Wastewater activities under the Mission Assignment.
- 3) Delete the "FEMA-TEXAS COUNTIES WITH DISASTER DECLARATIONS" map.

Also, David will provide an update on the following bullet until all site summaries have been posted.

"EPA completed sampling of all 34 Texas Superfund sites potentially impacted by the storm, September 15, 2017. EPA has released 15 post-hurricane Superfund site summaries based on preliminary data on the www.epa.gov/hurricane-harvey website."

Thanks - Monica
